COMPLAINT:
"I DIDN'T GET
DOHENY HAPPENINGS
LAST WEEK!"

Some students have complained that they have not received a copy of the DOHENY HAPPENINGS for the last two weeks. With this issue, we have added extra copies, which should take care of everyone. DOHENY HAPPENINGS can be found every Monday in Carondelet Center, at Prague Residence Hall, in Bldg. #7 at the entrance to the Communication Skills Lab, or at the 24-hour Bulletin Board in Bldg. #4.

WE URGE YOU TO KEEP YOUR COPIES IN YOUR NOTEBOOK FOR FUTURE REFERENCE.

Today you may not need the information in this issue, but you may need it next week or a month from today. If, however, you do not wish to keep your own copy, please leave it in Carondelet Center for another student. Do not crumple or toss it away. We hope in this way that every student on campus will have the opportunity each Monday to read the DOHENY HAPPENINGS.

COOPERATION GOOD
WITH PARKING RULES

Campus security is pleased with the co-operation received from students and instructors alike regarding parking regulations. Information which may be helpful: If you bring a substitute for your regular car, and it does not have a parking sticker, park it in the campus parking lot. It will not be checked, so you will have no worries about a citation. Also, there are no reserve areas on Saturdays; you may park in any space you find available on that day. Should your sticker come loose or become illegible, ask for another one from the security guard, as he will have full responsibility for parking stickers and regulations beginning tomorrow, October 1.

THIS WEEK'S LIL
VISITS THE ELDERLY,
HELPS HANDICAPPED

SEARCH for a small school with a personal atmosphere brought our first LIL for this year to Doheny. "To walk across the campus and to be recognized brings happiness to each new day for me," she says. LIL has experienced that service for others is coupled with satisfaction.

Weekly visits to the elderly she finds rewarding, but her greatest joy came last summer when a little handicapped girl whom she had coached in swimming lessons became skilled enough to join a city swimming team. It is no secret whom she is supporting for the Alhambra City school board.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0540 after 9:00 a.m. The FIRST student to give the correct answer wins a prize to be awarded at the end of the semester.

Congratulations to CECILIA SUSTAYTA, the first of many students to guess last week's LIL, JEANNIE WILLIAMS, whose special hobby is art in any form. She has been most successful in designing novelties for small children's rooms and in preparing liturgical banners for Her favorite class? English she discovers to be a learning process accomplishment as well as a challenge.

The name of this week's LIL means "Angels pray," and she continues to pray in the ancient Sanskrit. Travel in Malaysia gave her the desire to see other parts of the world, especially the United States. She admits that keeping up with her classes does not provide her with much time to get far away from Los Angeles; however, she does manage to make her own clothes, show hospitality to guests from her native land and to delight them with "home cooking." To entertain and help small children in her neighborhood she considers a privilege, not a task.

AMERICAN HISTORY
COMES ALIVE
FOR THAI STUDENT

No one guessed last week's LIL, PONTIP SUNDHORNPRUEG, who came to our campus from Thailand. Her ambition is to finish her schooling in Business Management before she returns to her country where an opportunity in this field awaits her. She likes Psychology but admits that she enjoys Economics more because "it's about money." Pontip visits many museums, art centers and sites of historical interest. These places make American History come alive for her.

THIS WEEK'S LIL
FINDS TELEVISION
HELPS HER ENGLISH

LIL came to the United States five years ago. She believes friends and TV have been the greatest help to her in mastering English. To work professionally with handicapped children is her goal. During her senior year in high school she gave volunteer service at a school where she helped little ones with their studies and play. There it became evident that she possessed that special "feeling" for them to which they reacted with happiness and love. Modern dance, tennis and skiing are LIL's favorite means of recreation.

Do you know LIL? Contact Sister Francis Clare in Bldg. #10, telephone 746-0450.

All materials for the DOHENY HAPPENINGS should be submitted to Sister Dorothy Mary, Bldg. #7, Office 12. THANKS TO ALL WHO HELPED WITH OPEN HOUSE

Thank you to each person who contributed to the success of our Fall Open House. A special word of appreciation is due to the Deltas, to Sister Dorothy Mary, to Sister Rose Agnes, and to Sister Francis Clare, who all assisted with the coordination of hospitality to our guests. I would also like to thank especially the faculty and students of the specialized areas who sponsored presentations. We know that many more people now know about the Doheny Campus and what it offers.

ART INSTRUCTOR
FROM DOHENY
TO EXHIBIT WORKS

Jim Murray, Doheny art instructor, will exhibit his work in two galleries this month. His display entitled, "Six Photo Realists," is being featured at the Albert Contreras Gallery, 2124 Cahuenga Blvd., Hollywood, until November 16.

Mr. Murray's exhibit, "Variations of the Camera's Eye," is currently being displayed at Occidental College with the works of five other artists who work from the photograph. The show is under the sponsorship of the Smithsonian Institute International Art Program. A panel/conversation with all six artists will be held on Tuesday, November 12, 7:30 p.m. at the College. The exhibit will be on display until December 5, after which the show will travel to Central and South America during 1975.

#####

WARNING SYSTEM
INTENDED AS AID
AT MID-TERM

The Doheny A.A. Program offers an "early warning system" for students who have a "D" or an "F" average at the mid-term. Faculty members give a copy of the Unsatisfactory Work Report to the student, to her advisor, and to the Dean. At this point, conferences are set up between the instructor and the student so that the cause of the low average is understood, and the student can work to improve her grade. As part of the support system, the academic advisor also assists the student to take the necessary steps to pass the course.

WHO'S LIL (Living is Learning) CONTEST

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself.

MARIA ALVAREZ
LAST WEEK'S LIL

CHITOKO INOCHI was the FIRST to guess last week's LIL, MARIA ALVAREZ, whose homeland is Cuba. Maria has varied interests: in high school she merited awards in typing, performed in modern dance concerts.

She agrees that Mrs. Brosterman's class in Aesthetics of Dance "is sometimes beautiful, sometimes tiring; but usually fun." Maria enjoys cooking; surprisingly, her speciality is French dishes. Being a member of a Spanish choir keeps her in touch with her native language. She voices sincere gratitude to Mary Ann O'Brien for encouragement and guidance in filling out "all those papers."

(Continued next page)

THIS WEEK'S LIL
LEARNED PATIENCE
AS BANK TELLER

An invitation to Open House brought LIL to Doheny for the first time; a devoted counselor's advice encouraged her along the way. Summer employment as a bank teller taught her the significance of patience and friendliness toward the public. LIL has always enjoyed school, considered her teachers friends and now is enthusiastic about the added dimension that Social Action offers. "It is a two-way street." Because she is bi-lingual, she is a most welcome visitor at Orthopaedic Hospital with the twelve to eighteen young people who are Spanish-speaking. Listening to them speak of their families, country and aspirations increases LIL's gratefulness for God's gifts to her, and her gift of listening in turn brightens the patients' day.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, or call her at 746-0450 after 9:00 a.m. The FIRST student to give the correct answer wins a prize to be awarded at the end of the semester.

#####

All materials for the DOHENY HAPPENINGS should be submitted to Sister Dorothy Mary, Bldg. #7, Office 12. A box is provided in that office for copy which should be TYPED, DATED, and SIGNED by the person responsible for submitting it. Deadline is THURSDAY, 10:00 a.m. preceding the date of issue. Dateline is every Monday.

### WHO'S LIL (Living is Learning) CONTEST

This column is for the purpose of providing recognition for achievements of A.A. students and staff. Only students may submit guesses on the person or persons alluded to in this column. A person may not guess herself.

### ELVA RAMOS LAST WEEK'S LIL

Six alert students identified ELVA RAMOS as LIL last week; SARIFE HERNANDEZ telephoned FIRST. A member of the California Scholarship Federation during her senior year and now an active Delta, Elva values the opportunity of working, relaxing and exchanging ideas with others. "The dorm is an ideal situation for this." Accounting is Elva's favorite subject; her goal is to obtain a bachelor's degree in Business and Organizational Management. Ultimately, she hopes to engage in Health Care Administration.

### STAMPS LURED LIL TO SEEK TRAVEL

A stamp collection begun at an early age created LIL's desire to travel. Between part-time classes and employment following high school graduation she was fortunate in being able to fulfill this wish. Now she is happy to be on a campus where she can enjoy spacious grounds, beautiful trees and even the parrots. This week she anticipates the challenge of directing the little ones at the Child Development Center in finger-painting!

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, telephone 746-0450. The FIRST student to give the correct answer wins a prize to be awarded at the end of the semester.

APOLOGY DUE

Anyone who is interested in this program should contact Sister Joseph Adele.

CAROL BURNETT
TO APPEAR
AT SYMPOSIUM

A symposium entitled "Women Unlimited" will be held on the Chalon Campus next Monday, November 25. It will highlight the role of women in the professional world, exploring particularly the ways in which a woman can release her own potential, gain and use power in her professional field, and integrate her career into her own personal life. In short, how does she put it all together? The symposium is structured around two programs, both on Monday:

2:00 p.m. in the Little Theater: CAROL BURNETT will be featured on a student-faculty panel, discussing the above topics with a focus on THE PERSON. This program will be followed by an informal reception in the new art galleries so that students can meet Miss Burnett.

7:30 p.m. in the Campus Center: Dr. Joan M. Todd, former Mount faculty member, will moderate a panel discussion composed of women outstanding in their professional fields: Catherine Capriotti, designer and retailer of women's clothing; Cathy O'Neill, politician; Jane Hardester, choral conductor; Lola McAlpin-Grant, Mount alumna and assistant dean of Loyola Law School. Topic: THE PROCESS.

The college will treat Doheny students to dinner in the Chalon dining room on the day of the symposium. For dinner reservations, please tear off the slip at the bottom of this page and leave it in Mary Ann O'Brien's mailbox in Building 7.

THANKS FOR
UNITED CRUSADE
DONATIONS

Thanks to all students who contributed to the United Crusade Campaign. Because of your generous response, many unfortunate children and adults in the Los Angeles area will be helped.

CELINE CUTLER
LAST WEEK'S LIL

UNA FEENEY was the FIRST to guess last week's LIL, CELINE CUTLER, who had the good fortune to participate in the Lions' Club student-exchange program. She lived with a family in Akita Prefecture in Japan. With a limited vocabulary and sign language, she managed to grow very close to one of the daughters. Last Wednesday, Celine's birthday was made joyful by a phone call from Japan. Reactions of students first living away from home interest LIL; she appreciates the personal concern each teacher shows for students. To work with emotionally disturbed children is her goal for the future.

HYMNS GAVE
NEXT WEEK'S LIL
START IN SINGING

"It all happened because of a Fashion Show!" LIL, at the age of nine, first modelled at a Church benefit. From that time on, she frequently took part in volunteer programs and at department stores. As a result, her ambition is to be a fashion consultant. Her second love is music, which she believes was inspired by her grandmother with whom she delighted in singing religious hymns. This accomplishment comes in handy when she does volunteer work with Spanish-speaking children. A song makes them smile and often opens the door to understanding.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, telephone 746-0450. The FIRST student to give the correct answer wins a prize to be awarded at the end of the term.

All materials for the DOHENY HAPPENINGS should be submitted to Sister Dorothy Mary, Bldg. #7, Office 12. A box is provided in that office for copy which should be TYPED, DATED, and SIGNED by the person responsible for submitting it. Deadline is THURSDAY, 10:00 a.m. preceding the date of issue. Dateline is every Monday.

(Tuesday) at 10:00 a.m. Any articles received after that time will be held for the December 9 issue.

BUCKLEY AMENDMENT
GUIDELINES POSTED

Interim guidelines for implementation at Mount St. Mary's College of the Family Education Rights and Privacy Act of 1974 (Buckley Amendment) are posted on Doheny campus bulletin boards.

PERSONAL FINANCE
WELCOME ADDITION
TO SPRING TERM

"How can I stretch my paycheck to the end of the month?" "What questions should I ask the landlord before I consider renting an apartment?" "As a woman, will I have trouble establishing credit or taking out a loan?" "What are my legal rights if a product I have purchased proves defective, and the store manager refuses to refund my money?"

J044 Personal Finance will help you to find answers to these and other questions which face the average woman in today's world. This practical course will be offered in the Spring Term, 1975, on Monday, Wednesday, and Friday from 3:00 to 4:00 by Charles Higgins, instructor in Business and Organizational Management. (The time has been changed from that listed in the Doheny A.A. schedule.) Flyers are available on campus, and more information can be obtained from advisors or from Mr. Higgins.

INTERTERM
SOCIAL

"The Time for You" is Saturday, January 18, 1975. The event is the Doheny Winter Ball. Watch next week's HAPPENINGS for more details: theme, band, price, place, etc.

SHARON ALLSTON
LAST WEEK'S LIL

Last week's LIL, SHARON ALLSTON, was correctly identified by CAROLYN BAINES. Sharon appreciates the homey atmosphere of dorm living with its opportunity to observe distinguishing qualities of companions. Volunteer hours spent at Orthopaedic make her wonder who is learning more, the children or the teacher. Visits to points of interest in and out of the United States taught Sharon many lessons about different cultures; however, a cruise to the Virgin Islands was most rewarding. There she learned that simplicity of living brings untold blessings.

TEACHING CHILDREN
IS FUTURE GOAL
OF NEXT WEEK'S LIL

Our LIL for this week spent some years away from school before she really wanted to study again; now it is a new adventure of added experience and enjoyment. She prefers to do most of her studying on campus. "Where else could I find the comfort and quiet atmosphere of the library's second floor where the children's books fascinate me?"

LIL was contented working with elderly patients at Rancho Los Amigos, but always looked forward to the day she could begin preparation for fulfilling her desire of becoming a pre-school teacher.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, telephone 746-0450. The FIRST student to give the correct answer wins a prize to be awarded at the end of the term.

CAMERA BUG?

We've got the film, and we will pay for the processing; if you've got the camera, Doheny Campus needs you!

If anyone has a 35 mm. camera and would like to take pictures for the yearbook, we are soliciting your help. We need a photographer who would take informal shots of the students between now and the end of Interterm. See Una Feeney or Sister Rose Agnes if you are interested.

PLEASE JOIN
CHRISTMAS PROJECT
FOR PRE-SCHOOL

All of us are here because somewhere along the way somebody cared. In the true spirit of Christmas there is a way we can show our own college "Little People" that we care.

The Pre-School on our campus needs many items for the children and the Center. Two of our students, MONIKA TILLMANN and IRENE FIERRO, are organizing a Christmas drive to collect funds for a special tricycle and fire engine for the children. We need a total student contribution of \$70.00. Divided all around, that is not much for each of us. Monika and Irene will be looking for helpers in the various majors to help our Christmas gift become a reality. Please help.

"WOMEN UNLIMITED"  
UNLIMITED SUCCESS

A very special thank you to the Doheny faculty and students who helped to make our college symposium, "Women Unlimited," a huge success. The day was entertaining and informative.

The smiling faces of our students, BRENDA ROSS, SUZANNE BOWEN, SANDRA SALAHUB, KATIE McCOY, JUDY BERNATH, BELINDA TREVINO, MARY AGUILAR, SILVIA DELGADILLO, MARCIA VILLAQUIRAN, DENISE McARDLE, KATHY MERDINGER, MARJORIE VAVURIS and SISTER JEANNE NISLEY were very evident during the events.

Our faculty was represented by Sister Margaret Anne, Sister Marie Loyola, Sister Joseph Adele, and Mary Ann O'Brien. It is hard to determine the highlight of the day: could it be Denise McArdle being in the elevator with Carol Burnett; our students meeting and talking with the college president, Sister Cecilia Louise; the problem of choosing one dessert from a selection of strawberry shortcake, pumpkin pie or pecan pie; or being toured around campus by Carmen Urtecho, a Doheny graduate currently enrolled at Chalon?

All materials for the DOHENY HAPPENINGS should be submitted to Sister Dorothy Mary, Bldg. #7, Office 12. Students owing fines have been notified by notes on the 24-hour notice board or by personal messages. Sister Rose Agnes will be happy to talk over any arrangement for payments that must be made, but students who have not done anything about these fines will have names submitted to the Registrar until this responsibility is met.

JOYCE PLEASANT  
LAST WEEK'S LIL

ARLENE BRUNER quickly guessed the last LIL, JOYCE PLEASANT, who was searching for a college with a different atmosphere. Small classes, added counseling and coming to school with her tiny daughter, Kimberly, who attends the Child Development Center, offers Joyce an unique advantage. She finds relaxation in sewing, experimenting a little with cooking and, when time permits, playing the clarinet in concerts given at hospitals and convalescent homes.

GRAPHOLOGY, TRAVEL  
INTRIGUE THIS LIL

Our LIL for this week was first attracted to Mt. St. Mary's through the Viewbook. A tour of the Doheny Campus confirmed her decision to enroll. She hopes that her study of foreign languages will be a stepping stone to visiting far-away places. Graphology, a recently acquired interest, fascinates LIL; however, she has discovered it to be a greater challenge than she thought. At present, Christmas preparations at Red Cross is another of her projects.

Can you name LIL? If so, contact Sister Francis Clare, Bldg. #10, telephone 746-0450. The FIRST student to give the correct answer wins a prize to be awarded at the end of the term.

#####

CLASSES RESUME ON FEBRUARY 11

Tuesday, February 11, is the first day of class for Spring Term, 1975. All tuition must be paid before that date. If you have any questions, please see Sister Elizabeth Anne in Bldg. #10 sometime this week.

#####

SANDI SALAHUB PIONEERS CLASS

Special thanks are extended to SANDI SALAHUB, who pioneered a "micro-mini" course on this campus during Interterm. Sandi shared her knowledge of picture framing (on a limited budget) and macrame with interested students on Tuesdays for an hour during January. At least one student, EMILY LANE, has, as a result of this non-credit class, embarked on a new hobby: she has started a macrame wall hanging for her apartment. All who attended the informal gatherings profitted from Sandi's generous sharing of her time, knowledge and materials.

#####

LIBRARY MATERIALS DUE OR RENEWABLE

All library books are due January 31, the last day of Interterm. They may be returned for renewal on February 15 for all A.A. students returning for second term. Any books taken out this week will also be stamped due February 15. Magazines will be loaned on a day-to-day basis during this week and will be due on January 31. No magazines will be in circulation during the term break.

#####

"TIME FOR US" MEMORABLE EVENT

Congratulations to the Leadership Committee and the other students and faculty members who contributed to the success and enjoyment of the Winter Ball! Dancing to fast and slow music, partaking of delicious refreshments, and delighting in the lovely rooms of the Mansion made the evening a truly memorable "Time for Us" during Interterm at Doheny.

#####

MEETING PLANNED
FOR P/B COMMITTEE

During the month of February the Program/Budget Committee will meet to evaluate any activities or events scheduled for second term. Any faculty, staff member or student planning an event should submit at least a tentative idea to the committee at the time. The date and time of the meeting will be posted in advance.

TEN STUDENTS
ATTEND SEMINAR

Doheny Campus was well represented by A.A. students who attended the Regents' Seminar and luncheon at Chalon on January 14. Present were: DENISE AQUILANTE, IRENE FIERRO, PAULA GUTIERREZ, CHERYL JACKSON, RUTHE MORGAN, ELVA RAMOS, ANABEL ROBLES, LUPIE TOVAR, BELINDA TREVINO, and JEANNIE WILLIAMS. It was an interesting and enlightening session as the regents and the students exchanged ideas, feelings, and opinions about the College.

New students will be accommodated first; then a date will be posted when the replacement decals can be obtained by currently enrolled students or faculty members.

SNAC CONVENTION 1975 - Health Care to the People: A Right Not a Privilege

[DENISE AQUILANTE, second-year nursing student and Doheny representative of the Student Nurses Association of California, attended that organization's annual convention in San Francisco on February 21-24. Also in attendance were DENISE McARDLE, NANCY DALE, MARY FONTANINI, JANET NAGLE and KASSY ROBERTSON. Below is a report of the convention submitted by DENISE AQUILANTE.]

The theme of this year's SNAC convention was Health Care to the People: A Right Not a Privilege. Ms. Betty Williams, Assistant Dean at U.C.L.A. School of Nursing, gave the key-note speech. Other speakers addressed themselves to such topics as Trans-cultural Nursing of People of Color, Nurse-Midwifery, and Fluids and Electrolytes.

Another feature of the convention was the presence of various representatives from different hospitals as well as from the Armed Forces, who came to share what nursing would be like at their institutions. Hopefully, our Doheny Campus SNAC organization can establish this type of presentation for its students in the near future, thus enabling May graduates to consider what is available to them upon graduation.

Various regions of the state meet annually at these conventions to discuss what each has contributed to SNAC during the preceding year, elect new officers and, most importantly, to finalize resolutions which SNAC hopes to implement during the year following the convention. Copies of the resolutions passed by the 1975 House of Delegates will be available to students within a few weeks, in order that members will be informed of the convention's resolutions. Doheny Campus was fortunate to take an active part in the convention's House of Delegates meetings for the first time this year.

LITERATURE CLASS
VISITS HUNTINGTON

Last Tuesday, the Huntington Library in San Marino extended a
welcome to some Doheny students. Sister Joseph Adele's American
Literature class -- ROWENA ARMIJO, HERLINDA BRADLEY, BEVERLY CARR,
MICHELE CARRIGAN, CELINE CUTLER, KAREN GALASSO, SUSAN GRANT, and MONINA SORIANO --
found on exhibit original manuscripts of several of the American authors being
studied this term.

Besides the literary and art exhibits, the blooming Shakespeare
and Japanese gardens attracted much attention. Other highlights included the
eighteenth century furniture and decorative pieces similar to those in the Doheny
Mansion. Some students have already decided that a longer return visit is a "must."

LEADERSHIP GROUP INITIATE SPRING WITH CDC EGG HUNT

Last Wednesday, sounds of squeals and laughter echoed around Carondelet Center. Easter Bunny Una Feeney, current chairman of the Leadership Committee, directed an Egg Hunt for and distributed home-made baskets to the children of the Child Development Center. Una and the other members of the Leadership Committee, who sponsored the event, wish to thank all those students, faculty, and staff who helped make and fill baskets, contributed eggs and grass, and joined in the fun. Making children happy is certainly in keeping with the spirit of Easter and Spring!

FORGIVENESS DAY

To show that your librarians are "all heart," we offer to take back any book or magazine you may have forgotten to return, and no questions asked, until April 14 at 5:30 p.m. In return, we ask only that you deposit a donation into our collection for the WORLD'S POOR. To assist your memory, we are posting an "All Is Forgiven" list in Carondelet Center, with a reminder to bring back those books and magazines while the time is right!

STUDENTS OF FRENCH
VISIT GETTY MUSEUM

DORA PERRY and MARIA ALVAREZ joined their French instructor, Sister Aline Marie, in a visit to the J. Paul Getty Museum to study 18th century French period furniture. The visit was preceded by lunch at the St. Tropez, a French Provençal restaurant.

IMPORTANT:
FINANCIAL AID INFO

1. New government regulations on Federally Insured Student Loans (FISL) make it mandatory that all students, CURRENT and future, obtaining a FISL must sign a statement of responsibility. All students who have a federally insured student loan for this academic year must come to my office before April 18 to sign these forms.

2. Attention: 2nd year nursing students:

Federal law requires that any student who received a Federal Nursing Student Loan must have an exit interview prior to graduation and/or termination of studies. The purpose of this interview is to provide the student with information, forms needed, and to give an explanation of the repayment schedule, explanation of deferment for additional schooling, and cancellation plans of 85% or 100%. The interview will take approximately one-half hour, so plan your time and make a fixed appointment with me. These interviews must be completed and filed by April 25.

3. There are still twenty-four students who have not returned their financial aid renewal forms. Remember: the deadline is April 15.

PARKING FINES DUE
BEFORE GRADUATION

This is a second reminder to those who have received parking citations but who have not yet paid their fines. The fine of \$2.00 for failure to comply with parking regulations on this campus is a fine authorized by the College Business Office. As with other financial obligations incurred by students enrolled at Mount St. Mary's, failure to pay these fines results in a withholding of transcript records, etc., until the fine is paid. Parking fines are to be paid directly to the Registrar in Building 10.

For students wishing to take a lighter course load next fall, to complete additional requirements, or to enrich leisure time, courses are available this summer at Doheny and the Chalon campus. Advisors have information for you, and Lucille will be able to supply you with a Summer Session Bulletin. Many courses at Chalon are scheduled in modules of a few concentrated days rather than the usual six-week period. Summer classes at the Mount will be taught from June 23 through August 1, so there will still be time for other activities you may plan.

#####  
ECHOES FROM  
OUTREACH STUDENTS

The OUTREACH program on campus, under the direction of Sister Marie Loyola, extends the learning process beyond campus limits. The students who take part in this experience become aware of important issues in society by dealing with them. Opportunities are offered for career-related experiences and the blending of theory and practice. Regular volunteer aid to community agencies, centers, and institutions is made available. The following "Echoes from OUTREACH" are comments and reactions from students participating in this program:

Carmen Hessing: Learning to adjust to the different characters and personalities of the children in the Child Development Center has been of tremendous value to me.

ECHOES FROM OUTREACH (continued)

- Ruthe Morgan: My work in the medical library of Orthopaedic Hospital involves typing, filing, shelving and answering the phone. I enjoy it very much; in fact, I liked it so much last semester that I decided to repeat it this semester.
- Jeannie Williams: I'm teaching a home nursing class for the Alhambra Red Cross. It involves basic nutrition, hygiene and first aid. It's a good way to get involved with the people of the community.
- Linda Zamora: I'm involved with two kinds of tutoring. Little Ricky from St. Cecilia's comes to the campus, and then two days a week I tutor my "children" at St. Vincent's in arithmetic.
- Janetta Gallagher: Working with the children at Orthopaedic Hospital has been very enjoyable for me. I believe I would like to make a career of this type of work.
- Wanda Harris: I really feel needed in my work as teacher aide in the third grade at Holy Name School--even when I'm just settling things down or asking, "Is that really your name!"
- Ruby Manglinong: Working at the Child Development Center is very exciting and educational for me. I have only one difficulty--getting up at 6:30 a.m. for my Monday and Friday shifts!
- Irma Miranda: I'm teaching religion classes for public school children on Saturday mornings. My 30 third-graders keep me busy. I've been asked to return next fall, and I'm looking forward to it.
- Cecilia Sustayta: I had a little difficulty in finding something to do for Social Action, but I really got going when I heard about the need for bilingual people at Orthopaedic Hospital. I'm enjoying this work tremendously, and have extended my volunteer hours to helping in the coordinator's office at LAC/USC Medical Center.
- Una Feeney: One of my volunteer activities was preparing for and participating in a weekend of reflection, prayer, and community celebration with fifty high school juniors and seniors. We formed real bonds of friendship and sharing. We were a community, and together we experienced the presence of Christ in ourselves, in each other, and in the celebration of the Eucharist.
- Arlene Paragoso: Through my volunteer work at the Child Care Center (even though the hours have sometimes been long and hard and frustrating) I have had some of the most treasured experiences of my life. This has been a unique and enriching activity for me.
- Terry Ritt: I've always been interested in little children, so my volunteer activities at St. Jerome's School have been most enjoyable and rewarding.
- Mary Aguilar: I am making new friends in my volunteer work at United Community Efforts; and along with that, I am getting very good experience in many facets of office work.

ECHOES FROM OUTREACH (continued)

- Michele Carrigan: I am volunteering my time every Saturday morning in teaching catechism to the third and fourth graders of St. Patrick's School. Most of the children are from one-parent homes, and it is very rewarding to help them learn more about God and His care for them.
- Dora Perry: I tutor at St. Vincent's School, and I also donate my time at the Child Care Center. They are both enriching experiences, and I enjoy them very much.
- Deborah Norton: I'm really excited about my volunteer service, which has consisted in spending whole days down at the Calexico-Mexicali border working in a clinic affiliated with Orthopaedic Hospital. It is all volunteer staffed, and treats children who come from all over Baja California with bone deformities and other orthopaedic problems.
- Carolyn Baines: The children at the Child Care Center have given me a new view on early childhood. I have found them bright and interested in learning--sometimes a little overactive, but always fun.
- Sylvia Diaz: I'm helping in the Los Angeles Girl Scout office until I can get all the groundwork cleared for starting a Girl Scout troop of my own. My main problems have been--not with people, but with the machines in that office!
- Audrey Kelley: In doing my volunteer service in the Acute Respiratory Unit in crisis intervention at Granada Hills Community Hospital, I'm learning from interpersonal relationships between patients and their families that first impressions are not always accurate ones.
- Brenda Ross: I'm getting all kinds of valuable experience in my volunteer work in the pharmacy at Verdugo Hills Hospital--even some in interpersonal relationships. My main job is helping to deliver the 24-hour medications to each of the floors, but I also make out charges for each patient, and I sometimes watch Dr. Stan concoct "miracle medicines."
- Patronella Worthen: I am working with children at the Child Development Center, and I enjoy it very much. This experience has not only helped me this semester, but will be very helpful to me in the future.
- Cecilia Marquez: Before enrolling in Social Action, I had no real direction for my studies nor any goal for the future. I chose tutoring at the Rowan Avenue Elementary School as my volunteer work, and I found it so challenging and fascinating that I know now what I want as a career and where to go with my studies.
- Herlinda Bradley: I knew my work with the Mental Health Association would be interesting, but I didn't realize that in planning and leading social and recreational activities with the patients at a residential care home would lead me to a new career: Occupational Therapy. After graduation from Doheny, I plan to go into that specialization.

## INVITATION TO ALL FOR LAUREL DAY

The annual Laurel Day program, a Doheny Campus tradition, will take place this Saturday, May 17, in the Lecture Hall at 7:30 p.m. Prior to the honors presentations, the Nursing Department staff will confer the caps and stripes on the graduating nursing students. A reception honoring the graduates and the award recipients will be held in the Pompeian Room following the program.

INVITATION TO ALL  
FROM NURSING DEPT.

The faculty of the Nursing Department invites everyone to share in the ceremony honoring the 1975 graduates of the Nursing Department during which the graduates don black stripes on their caps. The ceremony will take place on the steps of the Doheny Mansion at 6:30 p.m., preceding the Laurel Day program. The cap and pin are distinctive symbols for each school, and wherever in the professional area they are worn, are indicative of achievement in the professional program.

BRN VISITATION  
HELD IN APRIL

On April 21, 22, 23, the A.A. Program in Nursing was reviewed by Dolores Milton, RN, Nursing Education Consultant of the Board of Registered Nursing. Her report, which will be presented to the BRN June 12-13 accompanied by the school's report, commended the College and faculty for its efforts in a program that is unique in nursing education.

BRN accreditation must be held for graduates to be eligible for the licensing examination. Each school is visited routinely to continue the accreditation status which we now have. During her three-day visit, Miss Milton interviewed College administrative officers, visited classes and clinical facilities, College facilities, and talked with students and faculty. Such visits are viewed as positive ways to increase the effectiveness of any program.

Our thanks to the Deltas who served the luncheon during the BRN visit and who assisted at the Department tea for agency personnel who assist the Nursing Department throughout the year.

STUDENT NURSES  
MAKE CONTRIBUTION  
AS PROFESSIONALS

Two Doheny nursing students have completed the "Red Cross Expectant Parents' Classes" in addition to their study of maternity nursing. SUE JARVIS and DENISE AQUILANTE have thus become certified members of the nationally recognized Red Cross Organization. Sue and Denise--along with 30 or more expectant parents--have spent the last six Wednesday evenings listening to lectures by nurses and doctors, preparing parents-to-be for child-birth and baby care. For one session Sue and Denise served as guest lecturers, giving talks on "Newborn Baby Bath and Care" and on "Newborn Safety Measures."

As health professionals themselves, they have advised and counseled parents-to-be before and after the sessions. Also, they have advised the hospital nurses (through a care plan and several conferences) how to handle some of the expectant parents once they do come to the hospital to give birth. These young women are to be highly commended for their professional participation in this worthy community service.

THANK YOU FOR LAUREL DAY

The whole of Laurel Day, from the distinctive Nursing ceremony at 6:30 through the reception in the Pompeian Room for our nearly 500 guests, was beautiful because of each of you who took part. I wish I could have recorded the compliments received on the poise and ease of the speakers, the grace and loveliness of the participants, and the atmosphere of cordiality and warmth that was shared.

The added dimension of receiving the honor of outstanding member of Administration, Faculty and Staff together with Mrs. Mary Ann O'Brien was a wonderful experience. Mrs. O'Brien joins me in a most special "thanks" to those who made that honor possible. It was truly the highlight of the evening for both of us, and a reflection of what Doheny is all about: giving and receiving in the spirit of our small campus community.

-Sister Rose Agnes

Special thanks to the Laurel Day Committee: NANCY BARTLETT, YOLANDA HARRIS, NANCY MALLET (Chairwoman), TRICIA MORGAN, JANET NAGLE, SISTER JEANNE NISLEY, MARGIE VAVURIS, and especially to Sister Rose Agnes. It was a perfect event, and very representative of our hopes for each Doheny student.

~~~~~  
RESPONSE GOOD
FOR ORIENTATION 75

Your response was tremendous to the invitation given by RUTHE MORGAN in the DOHENY HAPPENINGS of last week! We will be delighted to have as members of the Orientation Committee next Fall:

MARY AGUILAR, REGINA CABRERA, ESTRA CALILAO, MARY FONTANINI, YOLANDA JOHNSON, CARMENCITA KATIGBAK, IRMA MIRANDA, HEDDAMAE MORENFELD, DENISE McARDLE, JOYCE PLEASANT, KASSY ROBERTSON, LISA SPERO, and LINDA ZAMORA.

Watch for further information on the 24-hour Board and in the mail.

~~~~~  
NEW NAME  
FOR P/B COMMITTEE

By majority vote of the members, the Program/Budget Committee elected to change its name to one more suited to its purpose. It will be known henceforth as the Student Activities Council,

functioning in the same capacity as an advisement council to any student or faculty-initiated activity on campus. The discussion and subsequent decision to make this change took place at a meeting of the Program/Budget Committee early in May.

At that time, it was decided that three of the members would continue in their positions into the Fall Term: RUTHE MORGAN, ELVA RAMOS and MARCIA VILLAQUIRAN. New members will be solicited in September to complete the number on the Council.

FINANCIAL AID  
INFORMATION

BEOG - The charts have arrived from the Government offices and student copies of the awards are being sent out to them with the amount of the award. Awards this year range from \$200 to \$1400. Those students who have not sent in their BEOG applications should do so now. Those of you who have sent them in: remember to send us the 3 copies of the eligibility report as soon as you receive them.

FISL - Students wishing to apply for a Federally Insured Student Bank Loan may pick up the forms in my office before school ends. The more paperwork you complete now, the less you will have to take care of during the summer.

NURSING LOANS - This loan fund is subject to Federal Funding. We will not know if these funds will be available until mid-July, if Congress acts by that time. We have no control over these processes and, therefore cannot make any commitments of this type of fund.

All students who have applied for financial aid will hear from us during the summer, once we find out what our funds are. The important thing is for all of you to get your paperwork completed, so that you do not miss out on any awards that are possible.

Thank you for your friendships during the year. Please keep in touch.

-Mary Ann O'Brien  
Assistant Director of Financial Aid
